

The Seed of Faith

Jesus taught his followers many things! He taught that faith grows out of a small seed. Sometimes the disciples didn't understand what he said to them, even though they were right there!

Can you figure out some of Jesus' teachings written below? They are written in what is called phonetic style. That means they are written like they sound instead of using the correct spellings. Give them a try!

Huevuhr servz mi must faloh mi.

Huevuhr servz mi thuh fahthur wil onhur.

Naw muh sol iz truhbult.

Fahthur, glorehfi yur nam.

Now try writing a sentence or two of your own using phonetics.
